Attention: Beneficiary,

Final notification for the payment of the unclaimed prize money

We would like to inform you that the office of unclaimed prize money in Spain has appointed our legal department to act as legal advisor, processing and paying a prize money that has been credited in your name, and now for over two years.

The total amount you are entitled to is currently € 4,500,000.00 EUROS

The original prize money is € 2,800,000.00 Euros. This sum has now been invested for more than two years in profit, hence the increase to the above total. According to the office of unclaimed prize money, this money was deposited as an unclaimed profit of a lottery company with them to manage and insure in their name. According to the lottery company, the money was awarded to them after a Christmas promotion lottery. The coupons were bought by an investment company. In the opinion of the lottery company, they were then obligated to inform you about this money but the unclaimed fund was not claimed by the deadline. This was the reason why the unclaimed fund was deposited into an investment management fund. According to the Spanish law, the owner must be informed every two years about his present profit. Should the money not be claimed again, the profit will again be invested through an investment company for a further period of two years. We have therefore been instructed by the office of the unclaimed prize money to write them down. This is a notification for claiming this money.

We would like to point out that the lottery company will check and confirm if their identity is the same before their money is paid out to them. We will advise you on how to assert your claim. Please contact our English speaking lawyer **DON LUCAS ADRIAN DIEGO**, TEL: 0034 652 044 525 And 0034 919 01 92 08 FAX: 0034 91 184 98 33. EMAIL: drrodriguezcolawfirm@consultant.com is responsible for withdrawals abroad and will assist you in this matter. The claim should be asserted before 28-08-2019; otherwise the money would be re-invested. We look forward to hearing from you while we assure you of our legal assistance.

Yours sincerely

Dr. Valetino Facundo
