Lottery jackpot winner

FINAL OFFICIAL WINNER

We are obliged to inform you of the result of the fair completed final draws of the International Lottery Jackpot and your names among the 20 lucky winners won € 2,100,000.00 (Two Million One Hundred Thousand Euros) each on the International Lottery Jackpot Friday September 3rd, 2021 dated. This results from the total prize money of € 42 million that is shared among the 20 lucky winners and you are very lucky to be one of the lucky winners, therefore you will immediately be qualified and entitled to a prize of € 2,100,000, 00 Euros to receive the results that we released yesterday and your name will be attached, reference number (CCX-772-876-EM) ticket number (343-221-8756) and ballot serial number (451-17) and lucky star number (3) (7) among others .

The online drawing was selected from a random selection of names from an exclusive list of 290,600 names and entities using an automated computer search carried out at random from the Internet. No tickets were sold but all names were assigned different ticket numbers for display and privacy. The selection process was carried out by randomly selecting our computerized name selection machine (TOPAZ) from a database of over 290,000 names from all continents. This lottery program has been duly approved by the UK National Lottery and also licensed by the International Association on Games Regulators (IAGR). This lottery is the third of its kind and we intend to raise public awareness of this wonderful initiative. As indicated by the computerized selection machine, your lucky numbers will fall into our Europe fiduciary agent in Madrid-Spain and for your safety we recommend yours treat the winning data privately until your application is processed and your prize money is transferred to you. who have already deposited a check for € 2,100,000.00 in your favor .
