

## CALL FOR APPLICATIONS

### CRC TR 224 EPOS | MaCCI Summer School on Platform Economics

Annweiler, Germany, July 18-22, 2022

sponsored by the Collaborative Research Center TR 224 at the Universities of Bonn and Mannheim (EPOS) and the Mannheim Centre for Competition and Innovation (MaCCI)

Application Deadline: March 31, 2022

Notification by: April 30, 2022

EPOS and MaCCI invite applications for a Summer School on Platform Economics by Ph.D. students and recent post-docs (up to three years after graduating, counted from the application deadline), to be held at Jugendstilhotel Trifels in Annweiler from Monday July 18 to Friday, July 22, 2022.

During this summer school Julian Wright (National University of Singapore) and Martin Peitz (University of Mannheim) present recent theoretical advances in the economics of platforms. Each day there will be one morning lecture complemented by two student presentations with ensuing discussion. Tutoring sessions are offered in the afternoon.

Students at the summer school can apply to present their unpublished work on platforms – this work can be a completed working paper or an incomplete draft, theoretical and empirical work will be considered. This material should be included in the application package (see below).
